Please note: The Blue Valley Food & Nutrition Services Department checks the labels of the food products to get this information. It is the Foods & Nutrition Services policy to label the allergens when they are indicated as ingredients, not when the allergens are listed as cautionary statements. Manufacturers may change their product formulation or consistency of ingredients without our knowledge, and product availability may fluctuate. While we make every effort to identify ingredients, we cannot assure against these contingencies. It is ultimately the customer's responsibility to determine whether to question ingredients or eat selected foods. Blue Valley Food & Nutrition Services cannot guarantee the safety of students with life-threatening allergies. The Blue Valley Food & Nutrition Services Department takes steps to avoid cross contact but please realize the school cafeterias are not allergen free cafeteria environments.
