Wednesday, Sept. 21: **Red** Day

Library Checkout!

Thursday, Sept. 22: **Yellow** Day

Spelling Test!

Counselor Visit!

Friday, Sept. 23: Half Day—Dismissal at 11:45.

Weekly Homework #5 is due!

Reading:

This week we will be wrapping up our first theme. We will work on the comprehension skills of using text evidence, making inferences, and recall and retell. We will continue to work with the vocabulary strategy

of using context clues. Our spelling skill this week is long i spelled *i*, *ie*, *i_e*, *y*, and *igh*. We will continue to study VCV two syllable words.

Math:

We will continue Topic 3: Subtraction Strategies. The skills that we will master are subtracting 0, 1, and 2, thinking about addition to subtract doubles, thinking about addition to 10 to subtract, thinking about addition to 18 to subtract, making a 10 to subtract, and working with two question (step) story problems.

Our next fact fluency block is adding and subtracting 1.

Science:

We continue to learn about interdependence and needs of living things.

Have a wonderful weekend and a great week!
