## Changes for 2017

\*\* SPLASH teachers are trying to provide the SPE community with a wonderful service at a low cost. Due to an increase in the costs of running SPLASH we have had to increase the cost of each class from \$40 to \$42.

\*\* Also, due to insurance coverage for your child, we can no longer accept cash or combination checks. Any cash payment or combination checks will be returned to you possibly jeopardizing your child's placement within a class. We thank you for understanding.

If you have any questions about these changes please contact Denise Monson at [dmonson@bluevalleyk12.org](mailto:dmonson@bluevalleyk12.org)

Attached you will find your application/permission form for Sunrise Point's SPLASH Winter Session 2017. You may enroll your child/children in as many classes as you'd like. Please complete and return it to you child's teacher or the office by Tuesday, January 24<sup>th</sup>. All applications for classes received by the end of the day on January 24<sup>th</sup> will be placed into groups according to class choice. For bookkeeping purposes, please complete one form for each class your child/children are taking and one check for each class due to insurance reasons. **(Checks are Payable to the SPE PTO).** No cash please.

At 3:40 SPLASH students will wait, supervised, in the Blue Pod and eat their snacks until their SPLASH teacher picks them up after end of the school day duties.) When SPLASH classes end you will pick them up in the car line or they will walk home just like normal dismissal. The building will be locked after school and you will not be able to enter the building, your child will come to you.

Please note: All students may bring a snack (peanut free) to their SPLASH session, if they wish. The SPLASH classes will not be providing a snack for their students unless stated otherwise.
