November 11

No School - there is no school the week of 11/21 - 11/25

Food Delivery for your child only

We recognize that it is fun to receive a food delivery during the school day. Please remember that if you are dropping off food, it can only be provided to your child and not their social circle. When large deliveries occur, it creates a disruption in both the office and commons area. Thank you for your cooperation and understanding!

Student Council

Student Council is helping fundraise for the Lead to Read KC program. This program aligns with Blue Valley's initiative to promote passionate readers. We are very excited to get involved with this wonderful program and would love your help. You can donate in one of two ways through December 15: money donation or purchasing a book via an Amazon Wish List. Student Council will be supporting and starting with a \$50 donation. Thanks for your help! Please contact Ms. Terrill or Ms. Stetina with questions.

Holiday Helpers

I hope this email finds you having a great end to your week. It is that time of year where we have an opportunity to wrap our arms around families in need to ensure a wonderful holiday season. Similar to last year, we have provided a link below if your family would like to donate a gift card to another family within our community.

Please know, this is completely optional and sent for consideration. If your family would like to give and remain anonymous, please place that where it says, "Name."

Ms. Lauer and Mrs. Christian will be collecting the gift cards in the front office beginning this coming Monday, November 14th.

Thank you for your consideration,

Melissa Corcoran
