

Sharing Good Books September Reading Incentive

Each month, first grade has a reading incentive and our September Reading Incentive is Sharing Good Books. At the end of the month, all of first grade will have a Read-In together in our pod area. You will receive further information about this closer to the end of September from your child's teacher.

To participate in the Read-In, each child will need to read 12 books or 12 chapters. Your child may read to you, be read to aloud or read silently. Then you record the book or chapter that they read on the 'book' recording sheet on this page and the following page. Once a 'book' recording sheet is completed, please send it to school with your child. (Please send in each sheet as it is completed and do not wait to send them all in at the end of the month.) It will be displayed on our reading incentive bulletin board.

At the end of the month, the children will be able to bring good books from home to share with their first grade friends. Thank you for helping your child achieve the September Reading Incentive this month. We appreciate your participation and support.

Sincerely,
First Grade Teachers
