

Blue Valley School District
Food and Nutrition Services
Catering Guide
913-239-4340
catering@bluevalleyk12.org

Policies and Procedures

Blue Valley School District Food and Nutrition Services can provide food from the simple to the complex. We have special party ideas from a pizza party to an ice cream social. Services are available for breakfast, lunch, dinner, meetings, field trips, class parties or field days.

Catering arrangements can be made through the Food and Nutrition Services office 913-239-4340 or e-mail catering@bluevalleyk12.org. Refreshment and Catering Order Forms are available on the web at www.bluevalleyk12.org. You will be billed for refreshments, catering and labor hours, where applicable. There is a \$30.00 minimum order.

Box or Banquet

We would love to meet all your service needs. Meals may be served individually boxed or buffet style. Contact us to discuss the best service option for your event.

Use of School Facilities

You must have a permit to use the school food service facilities. Permits are obtained by calling Facility Scheduling Specialists at 913-239-4259 in the facility scheduling department.

Catered Meals by Food and Nutrition Services

A variety of menus have been developed to meet the needs of schools and/or organizations. If the menus do not meet your needs, please contact Food and Nutrition Services for a customized menu.

It is recommended that one person from your group be responsible for contacting our department or school about events. Catering arrangements need to be made at least two weeks in advance of the event. Final numbers must be turned into the site manager 48 hours prior to the event.

Pot Luck or Covered Dish

When an organization brings prepared foods in serving dishes ready for guests to serve themselves, Food and Nutrition Services assumes no responsibility for quality, sanitation and/or wholesomeness of items. Serving utensils and containers are the total responsibility of the individual or organization providing the food.

Use of kitchen facilities (ovens, warmers, serving line, dishwasher, etc.) REQUIRES the presence of a food service staff member. The cost for a food service staff will be a minimum charge of \$20.00 per hour (three hour minimum).
