

18-21 PROGRAM

Blue Valley School District

Dear 18-21 Parents,

The 18-21 Program takes pictures throughout the school years of activities and events in which our students participate. These photos may be shared with other classmates and families in the 18-21 Program, either via a monthly newsletter or an end of the year video. They may also be sent to future 18-21 students via the transition team (job coaches and transition specialists) and school administrators. The photos will not be shared outside of these groups.

We are asking you to give signed permission for your son or daughter to be included in class photos, with the understanding that other families and special education students may see them.

I give my permission for my student to participate.

_____ Yes _____ No
