High School Classes – Online/Virtual

All online courses are available through Canvas. Students may access the virtual courses from any location with internet access.

Electronic communication with the instructor and classmates is a key component to online courses. Students will participate in online discussions and communicate with the instructor through Canvas and the Blue Valley student email system.

Most resources (i.e., textbooks and handouts) are provided in an electronic format and are available in Canvas. If a student requires an actual textbook, he/she can check out the book from District Office. *Textbooks are limited in availability; students are strongly encouraged to utilize the web-based materials.

Online students are required to complete assignments in a variety of formats. The student will be required to complete all online assignments within the summer school session (June 3, 2019 through week of July 22-25, 2019).

The virtual courses are designed to allow students to work at their own pace. Each course contains suggested pacing guidelines to help keep students on track for completion.

Summer semester is a compacted semester (7 weeks) and contains the same curriculum and requirements as the fall and spring semesters. Students are required to complete assignments each week. Any student who will not have access to a computer/internet for more than one week during the summer semester is encouraged not to enroll in a virtual education course.

Each student is required to attend a proctored final exam. The final exam dates, times and rooms will be announced during the first week of classes. Final exams will be held at Blue Valley Southwest High School (175th & Quivira) the week of July 22-25, 2019.

No refunds will be given to students who drop the course AFTER 5:00 p.m. on June 10, 2019.

High School – Credit Recovery Courses

*Credit recovery courses are limited to enrollment by students who have previously failed the course.

Credit recovery students may attend a weekly meeting with their instructor. The dates and times of these meetings will be distributed by the instructors.

Credit recovery courses are available ONLY to students who have previously failed a course. Students should enroll in the corresponding course in which they previously failed (semester 1 = fall, semester 2 = spring). Student transcripts will reflect both courses (traditional course and the credit recovery course).

Students who need to complete 2 or more credit recovery courses are strongly encouraged to enroll and pay for one course at a time. *Students who complete the first credit recovery course early (before July 1, 2019) can enroll, pay and complete a second credit recovery course. All credit recovery coursework must be completed before July 25, 2019.

**CR - Biology**

CR - English Language Arts 10
Course #: Semester 1 - EL0304AS
Course #: Semester 2 - EL0305AS
Dates: 6.3.19 - 7.25.19
Location: BVSW
Room: NA - Virtual Course
Grade: 10, 11, 12
Credit: 1/2
Fee: $250.00
*Students are required to attend one orientation session.

English Language Arts 10 is a skill-based course, focusing on the traditional elements of story and the connection of self with others. To enhance comprehension and pleasure in the sophomore year, students read challenging novels, plays, short stories, poetry, and non-fiction. Students analyze literature and poetry through expository, persuasive, and narrative writing techniques. The class includes application of literary terms in literature and the refinement of vocabulary, research skills and accuracy in conventions.

CR - English Language Arts 11
Course #: Semester 1 - EL0308AS
Course #: Semester 2 - EL0309AS
Dates: 6.3.19 - 7.25.19
Location: BVSW
Room: NA - Virtual Course
Grade: 11, 12
Credit: 1/2
Fee: $250.00
*Students are required to attend one orientation session.

English Language Arts 11 explores the ongoing struggle between the needs of the individual and of an ever-changing society in America. Students interpret and analyze works by various American authors. Through reader response, essay, technical writing, and a research project, students begin to further develop personal styles of writing. Students will also continue to focus on critical thinking within the contexts of reading, writing, listening, speaking, and viewing.

CR - Contemporary Communications
Course #: Semester 1 - EL0324AS
Course #: Semester 2 - EL0325AS

Location: BVSW
Room: NA - Virtual Course
Grade: 12
Credit: 1/2
Fee: $250.00
*Students are required to attend one orientation session.

Contemporary Communications is a year-long course that will focus on collegiate-level and corporate-level communication skills through a technologically innovative, fast-paced, advance course of study. Students will develop abilities in technical reading and writing, oral presentation, desktop publishing, researching, and reading contemporary and classical fiction and nonfiction.

*Credit recovery courses are limited to enrollment by students who have previously failed the course.

Parents can complete the enrollment process by using BV ParentVue - Course Request. For additional information about online courses, please contact Robert Asquith at rasquith@bluevalleyk12.org.
CR - Algebra I
Course #: Semester 1 - MA0806AS
Course #: Semester 2 - MA0807AS
Dates: 6.3.19 - 7.25.19
Location: BVSW
Room: NA - Virtual Course
Grade: 9, 10, 11, 12
Credit: 1/2
Fee: $250.00
*Students are required to attend one orientation session.

Students will master algebraic skills essential for the study of higher mathematics. This course is designed to bring together past experiences in algebraic concepts and extend these experiences through the real number system. The course stresses understanding of the structure of different number systems and learning to appreciate the need for precision of language.

CR - Algebra II
Course #: Semester 1 - MA0814AS
Course #: Semester 2 - MA0815AS
Dates: 6.3.19 - 7.25.19
Location: BVSW
Room: NA - Virtual Course
Grade: 10, 11, 12
Credit: 1/2
Fee: $250.00
*Students are required to attend one orientation session.

Students continue the study of the real number system with an introduction to the complex number system. This course allows the student to develop a mastery of algebraic techniques and a thorough knowledge of elementary functions and the graphs of these functions. Topics studied include properties of the real number system; polynomial and exponential functions, applications of geometry, probability and statistics and conic sections.

CR - Geometry
Course #: Semester 1 - MA0810AS
Course #: Semester 2 - MA0811AS
Dates: 6.3.19 - 7.25.19
Location: BVSW
Room: NA - Virtual Course
Grade: 9, 10, 11, 12
Credit: 1/2
Fee: $250.00
*Students are required to attend one orientation session.

Students are provided the opportunity to extend knowledge in algebraic concepts through the study of geometric relationships. Students communicate mathematical ideas and geometric arguments by a variety of means including 2-column proofs, flowcharts, paragraphs and indirect arguments. Topics include transformations, congruence, linear and quadratic equations, right triangular trigonometry, the basic ideas of coordinate geometry, direct and indirect proofs, and applications of formulas, ratio and proportion, statistics and probability.

*Credit recovery courses are limited to enrollment by students who have previously failed the course.

Parents can complete the enrollment process by using BV ParentVue - Course Request.

Frequently Asked Questions: Virtual/Online Classes

Q: What if I am unable to attend on the date of the virtual final exams?
A: Students who are unable to complete the proctored final exam during the scheduled session will need to contact Robert Asquith at rasquith@bluevalleyk12.org to schedule an appointment.

Q: What are the fees for the virtual classes?
A: The fees for virtual classes, including credit recovery courses are $250.00 per course per semester.

Q: When are the fees due for the virtual classes?
A: The fee payment system will open on Wednesday, April 10, 2019. All fees must be paid by May 1, 2019 at 8:00 a.m. Fees will be paid online using BV ParentVue.

Q: What is the last date to drop the course and still receive a refund?
A: Students who drop a virtual course prior to 5:00 p.m. on Monday, June 10, 2019 are eligible for a refund. Students who drop AFTER 5:00 p.m. on June 10, 2019 will not receive a refund. Summer programs are financially supported through student tuition.

Q: I am on free/reduced lunch. Do I need to pay the summer school fees?
A: Yes, fees for virtual or credit recovery courses are not adjusted based on free/reduced status.

Q: What are the requirements to enroll in a virtual education course?
A: Students must have access to a computer with internet access. Students are required to have the full version of Microsoft Office (Word, PowerPoint, Access and Excel) if they are enrolled in the Computer Applications course. Students enrolled in other virtual courses must have a word processing program available to them.

Q: Can my family take a vacation during the summer programs?
A: Although virtual courses have a flexible schedule, students are required to complete coursework within a specific timeframe. It is highly recommended that students who will miss more than one week of instruction NOT enroll in a summer course due to the compacted semester. *The summer semester is less than 8 weeks and students are required to complete the same curriculum as during a typical semester.

Q: How much time should I plan for my virtual coursework?
A: Each virtual class requires approximately 10-12 hours per week. Students are required to complete assignments, readings, quizzes and online discussion forums.

Q: The classes are full. Can my student be added to a wait list?
A: The Summer Programs do have wait lists. The wait list criteria are based on content, facility, equipment and teacher availability. For additional information about the wait lists, contact Robert Asquith at rasquith@bluevalleyk12.org.
