### **Patrons invited to apply for BVRC vacancy**

Patrons of Blue Valley Schools interested in recreation and community service are invited to apply for a commissioner opening on the Blue Valley Recreation Commission (BVRC). No previous recreation commission experience is required.

Seven commissioners, all community members, are appointed by the Blue Valley Board of Education to serve staggered four-year terms. Two commissioners are appointed from each of the three board member districts, and one at-large appointment open to a person residing anywhere within the district boundaries. The open position is in the south district, and applicants must reside within that [district's boundaries](#). The elected commissioner will fill the unexpired term beginning January 8 to July 31, 2024.

Any resident interested in a position on the commission is invited to [apply online](#) no later than Dec. 1, 2023. For additional information, visit [www.bluevalleyk12.org/BVRC](http://www.bluevalleyk12.org/BVRC). Qualified applicants must be available to interview on the morning of December 7. Appointment will take place on January 8 at the Blue Valley Board of Education meeting. The appointee need not be present.

The school district's involvement with the commission is limited by statute, holding it responsible for the BVRC by appointing its commissioners, approving the budget and authorizing lease agreements.

The Blue Valley Board of Education will oversee the search process and conduct interviews. The BVRC is a policy-setting board, typically meeting at 7 p.m. on the third Wednesday of the month. Commissioners must be able to attend these meetings. In addition, commissioners serve on several committees, represent the commission at events and must be available for staff

consultation. They receive no pay for their service to the commission.

For more information about the appointment process, call (913) 239-4020. For details about BVRC or the commissioner's responsibilities, call BVRC Executive Director at (913) 685-6000.
