

PSE Weekly Howl

Summer Edition

Happy Summer!

I hope you are enjoying your time with family and friends this summer! My summer officially starts in two hours, but who's counting!! I am ready to spend some precious time with my three boys at home, the baseball fields, and the ocean. I will return to work on Monday, July 26th. This summer, I am going to try really hard not to work. Those that know me really well know how hard this actually is for me. However, if you need something before the 26th, please feel free to email me, slsperry@bluevalleyk12.org, know that my response time will be slower.

Take care, have fun and enjoy your sweet family this summer! See you soon, PSE!

From the library

Believe it or not, it's time to think about Summer Reading! We've been meeting with classes to talk about the importance of beating the summer slide by reading and to share the numerous resources available to make this easy, fun and rewarding! During these last weeks, you will see a PSE Summer Reading Bingo come home as well as materials from the JOCO Public Library. Here is a link to the information shared with your kiddos that has more details!
