

WEEKLY COMMITMENT

6 hours/day for All Students

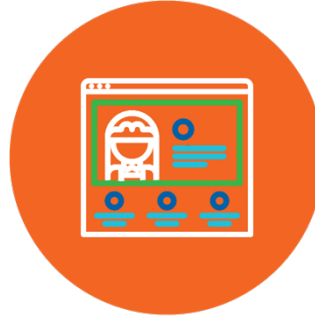

Elementary

3-5 Hours per core subject (4)
1 Hour per special (4)
+ synchronous lessons, class meetings
and SEL programming

Middle and High School

3-5 Hours per week per course
Weekly synchronous sessions
MS = 4 Core + 3 Elective
HS = 7 Courses

LEARNING ACTIVITIES

Computer-Based

Live sessions, collaborating with classmates, reading, playing games, listening to audio clips, watching videos, taking quizzes/tests, writing

Offline

Homework, projects, experiments, independent practice, reading

Live/Synchronous

Direct instruction from a teacher, small group work, class discussions, class culture building activities

FAMILY RESPONSIBILITY

All Levels

Families of all students are required to monitor their student daily, ensure students are making weekly progress in the course and help their student navigate the course.

Grades K-2

Younger students will require additional parental supervision and support in course navigation and proceeding through coursework. As students gain the ability to read independently, less assistance will be needed.
