

Athletic/Activity Passes

All families and students have the option of purchasing a family and/or student Athletic/Activity Pass. The Athletic/Activity Pass allows entry to home sporting events (football, soccer, basketball, volleyball, and wrestling) during the regular sports season. It does NOT include entry to games when we are the visiting team (even if located at the SWI-DAC) or any district level or post season KSHSAA games.

Passes may be purchased through the ParentVue system and should be purchased before school starts during registration. Student Passes are typically distributed two weeks after school photos are taken. Parent Passes will be distributed according to plan communicated in North Notes each August (usually at the first home soccer and/or football game and at Back to School Night if possible).

The pass prices are:

- \$40 – Student Pass
- \$55—Adult Individual Pass
- \$85—Family Pass

Please note: A Family Pass includes 2 adults and any elementary or middle school siblings; the Family Pass DOES NOT include your high school student or any older siblings! Adult Individual Passes include one adult and any elementary or middle school siblings.

All BVN students are issued a student ID card. Students are expected to carry their ID cards. If a student purchases an Athletics/Activity pass, it is noted on the student ID card. For more information, email Lisa Miller at LKMiller@bluevalleyk12.org or call (913) 239-3009.
