

Application for Admission to Study Hall

Directions: please complete the following application and turn in to Mr. Peres, Assistant Principal for Curriculum and Instruction, located in the counseling office, by April 1st.

Student name: _____

Date: _____

1) Parental approval- Students do not receive credit for study hall. Study hall is designed for students who need extra time to demonstrate learning within the school day. Study hall should only be requested by students who can demonstrate a sincere need for study hall placement. By signing below, you are supporting your child's request for placement in a study hall.

Parent signature: _____

Date: _____

2) Potential area of academic need: It may be possible to place you in a study hall with a teacher who is certified to teach in one of the following areas...circle or identify one or more of the following subjects where you could potentially benefit from extra support...?

ELA

Math

Science

Social Studies

World Language

Other: _____

3) Rationale for enrollment in study hall:

Explain why you need a study hall? How will study hall contribute to your learning?

4) Proposed course to be dropped: If your study hall request is approved...which course would you drop from your schedule in order to fit in a study hall?
