

Ways to Help Your Child with Spelling at Home

- Visit the website www.spellingcity.com
 - Visit the website www.scholastic.com/kids/homework/spelling.htm
 - Use shaving cream on the kitchen table
 - Put salt, sugar, flour, or sand on a cookie sheet
 - Use a variety of writing materials such as markers, crayons, colored pencils, paint, etc
 - Type the words on the computer
 - Write or type a story using the words
 - Play memory with the words
 - Use yarn or string to form the words
 - Read a story and see how many spelling words are in the text
 - See how many times students can write their words in one minute
 - Use beans, macaroni, cereal, etc. to form the words
 - Tape-record the students reading and spelling their words
 - Print the words on someone's back using their fingers and have that person guess the word.
 - Use colored chalk on the sidewalk to spell the words
 - Find the letters of the words in newspapers or magazines. Cut them out to spell the words
 - Write new words that rhyme with each of the spelling words
 - Use bread or cookie dough to form the words, then bake them
- * These are just suggestions on how to help your child! Feel free to use whatever works best for you! Happy spelling everyone! ☺*
