Principals Note:

HMS Families,

We had an amazing week after coming back from Thanksgiving break. I am so proud of our school community for what we accomplished with our Red Bag gift drive. Thank you to every parent/guardian that donated gifts, donuts, wrapping paper, tape, or helped volunteer for our wrapping party on Thursday. It was wonderful to see our students wrapping gifts and doing hands on work while giving back to the greater Kansas City community.

Below this note you will find the following information:

- Holiday Support
- Headphones or Earbuds
- iReady/FastBridge Diagnostic Testing
- Carline Reminders
- Nurse's Corner
- Safe Schools Reporting
- Student Code of Conduct
- Game Atmosphere
- Athletics/Activities
- Clubs
- Band, Choir, Orchestra
- GoFan Passes/Ticket Information
- Harmony Middle School Handbook
- PTO News
- Student Services Update

As always, thank you for your support of HMS. I hope everyone has a wonderful weekend.

Sincerely,

Nate Winslow
Principal
Harmony Middle School

Holiday Support

I would like to make everyone aware of another long standing tradition at Harmony Middle School. We have such an incredibly supportive and philanthropic community that truly strives to make sure our students have what they need to be successful. We also like to make sure our families have what they need as well. With that being said, we would like to offer support to any HMS family in need during the holidays. Please email me individually if your family needs any support this time of year. I guarantee that you will remain anonymous. I will be the only person that knows you have asked for assistance. I will personally work with your family to make sure you and your student(s) get what is needed to make sure the holiday season is happy and memorable. Please email me at jnwinslow@bluevalleyk12.org if you would like any assistance during the holidays.

Headphones or Earbuds

This is a reminder that all students need to carry with them wired headphones or earbuds daily. Students use wired headphones or earbuds almost every day in class and need them to be successful. Please make sure your student has a pair they bring to school every day. Thanks.

iReady/FastBridge Diagnostic Testing

Throughout next week, all students will be completing diagnostic testing in both math and reading. The tests will be conducted during their math and ELA classes and does not require any studying or prep work. These tests will give us information about how students are progressing with math and reading skills and highlight areas of strengths and needed growth.

Encourage your TBIrd to go to bed at a decent time and to eat a good breakfast as we want them to be set up for success. Here is the timeline for testing:

6th grade

iReady (Math)- Dec. 5th-7th

FastBridge (Reading)- Dec. 5th

7th grade

iReady (Math)- Dec. 4th-6th

FastBridge (Reading)- Dec. 4th

8th grade

iReady (Math)- Dec. 4th-6th

FastBridge (Algebra)- Dec. 4th

FastBridge (Reading)- Dec. 7th

Carline Reminders

Please remember to follow our carline rules at all times to ensure efficiency for all.

1. Use the east entrance to the front circle. The west entrance is for buses only.
2. Pull forward all the way before allowing your student to exit the car.

1. This is extremely important. Do not stop until you have pulled all the way up as far as you can in front of the school.
2. Please have your student exit the car quickly. One slow car can back up the entire carline.
3. Pull to the left after your student exits your car. (this is extremely important to ensure traffic continues to flow)
4. Turn right only when exiting the parking lot. Waiting to turn left completely halts our carline.

Also, please DO NOT park along 141st street during pickup or dropoff. This is a no parking zone as it is a safety issue for our students trying to use the crosswalk. Please enter the HMS parking lot to pick up your student after school.

Nurse's Corner

Hygiene Reminders

Middle school students are going through a variety of hormonal changes- oily skin and scalp, sweat, growth of body hair, and body odor. Here are some simple things that you can do to help your student go through these changes:

- Encourage them to wash hands, hair and body
- Wear clean clothing
- Wear deodorant (this is a big one in which we can all benefit :))

Safe School Reporting

Blue Valley Schools is committed to promoting and fostering a safe environment in and around all of our schools. Through the convergence of physical and intellectual security measures, we are continuously working to prevent, mitigate, respond to and recover from a wide range of emergencies. Please check out [available ways to report safety concerns](#).

Student Code of Conduct

The Blue Valley Board of Education approved updates to Board Policy [3500](#) - Behavior and Discipline at the August 14, 2023 Board of Education meeting. As part of this approval, there is a [Student Code of Conduct](#) document. We ask all families and students within our school community to review the contents, policies and procedures within this [Student Code of Conduct](#).

Administrative actions taken as a result of a violation of the code of conduct are determined following proper investigation, review, and/or consideration of the age/grade of the student, context, and situation in which the behavior in question occurred. The scope of authority of the Blue Valley Student Code of Conduct applies at all times when students are on school buses or other vehicles used by the district to transport students, school district property, or engaged in official school activities. Additionally, **this code of conduct applies to any student whose conduct at any time or place has a direct and immediate effect causing substantial disruption impacting the order of school operations and/or the sense of student and staff safety that exists in the school or school-related environment.**

Students at HMS will be made aware of behavioral expectations and the Code of Conduct through grade level talks next week. Every student at HMS also has our handbook in the front of their student planner.

High School Game Atmosphere

Blue Valley families,

We are excited to have your families come to support our high school activities and athletics. It is great to see the entire community at these events. It is imperative that our parent community partner with us as we work to encourage positive elementary and middle school behavior at high school games or events.

We are asking that all elementary and middle school students enter the game with an adult and sit with that adult throughout the game. Please do not drop your child off at a district event without supervision as they will not be allowed to enter. It is challenging to monitor and keep all students safe without the help of our parent community. Thanks for your help with this protocol to make district events a great experience for all who attend. We hope to see your family cheering for our Blue Valley teams this school year.

Director of School Administration, Athletics and Activities
Blue Valley School District

Middle School Game Atmosphere

As a reminder for all fans and spectators, please be considerate of our workers running clock, supervising, and keeping score. All of the workers at the middle school games/meets are volunteers who are giving up their time after school to support HMS students and athletics. The goal is to continue to have volunteers to run the events, so please be kind :).

Screenagers Blog | Navigate Notification Overload: Ways parents can help kids

In the New York Times this last week, there was an article about social media and teens. The article's brilliant graphic captured our young people's digital and emotional reality. The image is all the notifications on their phones, laptops, tablets, etc.

The complicated ties between teenage girls and social media - and what parents should know

Experts say the relationship between social media, self comparison, body image and self harm means that there's no singular culprit in the youth mental health crisis.

'Constant buzzing': Some teens get thousands of phone notifications in a day, research finds

A Common Sense Media report finds about half of 11- to 17-year-olds get at least 237 notifications a day. Some get nearly 5,000 in 24 hours. What does that do to their brains?
