End of Quarter Information

Canvas Courses

At the end of each quarter, most courses in Canvas will conclude and will no longer be visible on the Canvas app. A concluded course is only visible through the Canvas website by selecting All Courses on the Courses tab and scrolling down to the Past Enrollments section. Courses for this quarter will conclude on March 9th, 11:59 pm. Report cards will be generated and viewed on ParentVUE at the end of the school day on March 24th. At the start of the new quarter, teachers will publish new Canvas courses. As courses are published, students and families will again be able to see current courses on the Canvas app and Canvas website. For Canvas parent resources, visit www.bluevalleyk12.org/canvas.

*CANVAS TIP: Be sure you have downloaded the latest version of the Canvas Parent App (download in [iTunes](#) and [Google Play](#)).

HMS Volunteer Program

All volunteer service hours must be submitted by April 14, 2023. Please email the completed [tracking form](#) to Emily Wilson eswilson@bluevalleyk12.org or bring a hard copy to the front office. Service hours, as well as the names of students who have completed the top number of credible community service hours will be reviewed for recommendation to receive the Blue Valley Volunteer Service Award.

Honor Code

We always encourage our students at HMS to embody and represent our honor code. Feel free to discuss what it means to be "honorable" at HMS with your student. As we settle into the school year, it is important that students are hearing this message at school and at home.

Safe Schools Reporting

Please share this message in your upcoming family newsletter:

Blue Valley Schools is committed to promoting and fostering a safe environment in and around all of our schools. Through the convergence of physical and intellectual security measures, we are continuously working to prevent, mitigate, respond to and recover from a wide range of emergencies. Please check out [available ways to report safety concerns](#).

Carline Reminders

Please remember to follow our carline rules at all times to ensure efficiency for all.

****This also applies to before and after school activities****

- Use the east entrance to the front circle. The west entrance is for buses only.
- Pull forward all the way before allowing your student to exit the car.
 - This is extremely important. Do not stop until you have pulled all the way up as far as you can in front of the school.
 - Please have your student exit the car quickly. One slow car can back up the entire carline.
- Pull to the left after your student exits your car. (this is extremely important to ensure traffic continues to flow)
- Turn right only when exiting the parking lot. Waiting to turn left completely halts our carline.

Also, please DO NOT park along 141st street during pickup or dropoff. This is a no parking zone as it is a safety issue for our students trying to use the crosswalk. Please enter the HMS parking lot to pick up your student after school.

After School Clubs and Activities

Check out our [list of clubs!](#) Most are open to any grade level. No need to sign up in advance.

Athletics

7th/8th Boys/Girls Track

All med information and physical uploads must be submitted by March 24th for participation.

If you have already completed this process for a fall or winter sport, you can go in and add Track in rSchool, if you did not elect it upon initial registration.

Practices begin on March 27th. In order to participate, please make sure that you have completed all medical information and uploaded a current physical.
