## GAMES ON DISTRICT DEVICES

In an effort to reduce distractions in the learning environment for all of our students, beginning on January 4, 2024, all students will have general gaming websites blocked on district devices (examples include: Fortnite, [crazygames.com](http://crazygames.com), recreational games, arcade-like games, etc.). Educational games will still be allowed.

---

## CARLINE REMINDERS

Please remember to follow our carline rules at all times to ensure efficiency for all.

1. Use the east entrance to the front circle. The west entrance is for buses only.
2. Pull forward all the way before allowing your student to exit the car.

1. This is extremely important. Do not stop until you have pulled all the way up as far as you can in front of the school.
2. Please have your student exit the car quickly. One slow car can back up the entire carline.
3. Pull to the left after your student exits your car. (this is extremely important to ensure traffic continues to flow)
4. Turn right only when exiting the parking lot. Waiting to turn left completely halts our carline.

Also, please DO NOT park along 141st street during pickup or dropoff. This is a no parking zone as it is a safety issue for our students trying to use the crosswalk. Please enter the HMS parking lot to pick up your student after school.

---

## SAFE SCHOOL REPORTING

Blue Valley Schools is committed to promoting and fostering a safe environment in and around all of our schools. Through the convergence of physical and intellectual security measures, we are continuously working to prevent, mitigate, respond to and recover from a wide range of emergencies. Please check out [available ways to report safety concerns](#).

---

## STUDENT CODE OF CONDUCT

The Blue Valley Board of Education approved updates to Board Policy [3500](#) - Behavior and Discipline at the August 14, 2023 Board of Education meeting. As part of this approval, there is a [Student Code of Conduct](#) document. We ask all families and students within our school community to review the contents, policies and procedures within this [Student Code of Conduct](#).

Administrative actions taken as a result of a violation of the code of conduct are determined following proper investigation, review, and/or consideration of the age/grade of the student, context, and situation in which the behavior in question occurred. The scope of authority of the Blue Valley Student Code of Conduct applies at all times when students are on school buses or other vehicles used by the district to transport students, school district property, or engaged in official school activities. Additionally, **this code of conduct applies to any student whose conduct at any time or place has a direct and immediate effect causing substantial disruption impacting the order of school operations and/or the sense of student and staff safety that exists in the school or school-related environment.**

Students at HMS will be made aware of behavioral expectations and the Code of Conduct through grade level talks next week. Every student at HMS also has our handbook in the front of their student planner.

## HIGH SCHOOL GAME ATMOSPHERE

Blue Valley families.

We are excited to have your families come to support our high school activities and athletics. It is great to see the entire community at these events. It is imperative that our parent community partner with us as we work to encourage positive elementary and middle school behavior at high school games or events.

**We are asking that all elementary and middle school students enter the game with an adult and sit with that adult throughout the game.** Please do not drop your child off at a district event without supervision as they will not be allowed to enter. It is challenging to monitor and keep all students safe without the help of our parent community. Thanks for your help with this protocol to make district events a great experience for all who attend. We hope to see your family cheering for our Blue Valley teams this school year.

Matt Ortman  
Director of School Administration, Athletics and Activities  
Blue Valley School District

## MIDDLE SCHOOL GAME ATMOSPHERE

As a reminder for all fans and spectators, please be considerate of our workers running clock, supervising, and keeping score. All of the workers at the middle school games/meets are volunteers who are giving up their time after school to support HMS students and athletics. The goal is to continue to have volunteers to run the events, so please be kind :).
