New Policy - Gaming on District Devices

In an effort to reduce distractions in the learning environment for all of our students, general gaming websites will be blocked on district devices (examples include: Fortnite, [crazygames.com](https://www.crazygames.com), recreational games, arcade-like games, etc). Educational games will still be allowed. **This will take effect on January 4, 2024.**

Civility Policy

We are thankful for the ongoing partnership and support we experience in our school community. Working together we ensure the best possible student experience allowing them to realize personal success. There are times, however, when issues arise which require our continued collaboration to resolve. Families may utilize the matrix linked on [the district website](#) to best address questions and concerns that may arise throughout the course of a school year. Finally, all staff and visitors should conduct their business free from intimidation, harassment, or bullying. The district's Board of Education states expectations regarding civility within [Policy 6341](#). Again, thank you for your partnership in helping to maintain a safe school community environment for all.

Activities and Athletics Message

We are excited to have your families come to support our high school activities and athletics this school year. It is great to see the entire community at these events. It is imperative that our parent community partner with us as we work to encourage a positive atmosphere for our high school games or events.

- Sportsmanship/officials: We want to give our student athletes the opportunity to play as many games as possible and we need officials to make those games happen. With a local and national shortage of officials, we want to make sure officials continue to choose to work Blue Valley events. The number one way we can create a welcoming environment is for spectators, coaches and student athletes to be courteous and respect the official's decisions.
- Tailgating: Tailgating before games has become a tradition for many students and families. We love to see our community gathering together to enjoy food and tailgate games in our parking lots. As a reminder, alcohol and tobacco are not allowed on district property including parking lots. Outside food and drink is not permitted inside the gates except for unopened water bottles. Please visit the concession stands and support our school groups!

Thank you for your help in making our district events a great experience for all who attend. We hope to see your family cheering for our Blue Valley teams this school year.
