**Parents and students:** With spring allergies upon us, this is a reminder that the health room DOES NOT stock seasonal allergy medication. Please either dose your student prior to them coming to school or send them with their allergy medication. Students at the high school level are allowed to have over the counter medications with them at school. Please reach out to Nurse Imlay at [rjimlay@bluevalleyk12.org](mailto:rjimlay@bluevalleyk12.org) if you have questions.

## 2<sup>nd</sup> Semester Finals Schedule & Final Exam Guidelines.

**Final Exam Schedule:** Please note that there's a finals schedule for seniors and a different finals schedule for students in grades 9-11.

Students are dismissed from school early these 3 days (please see the finals schedule for details). ***These are important days for students to be at school to successfully finish the semester.***

### **Final Exam Guidelines:**

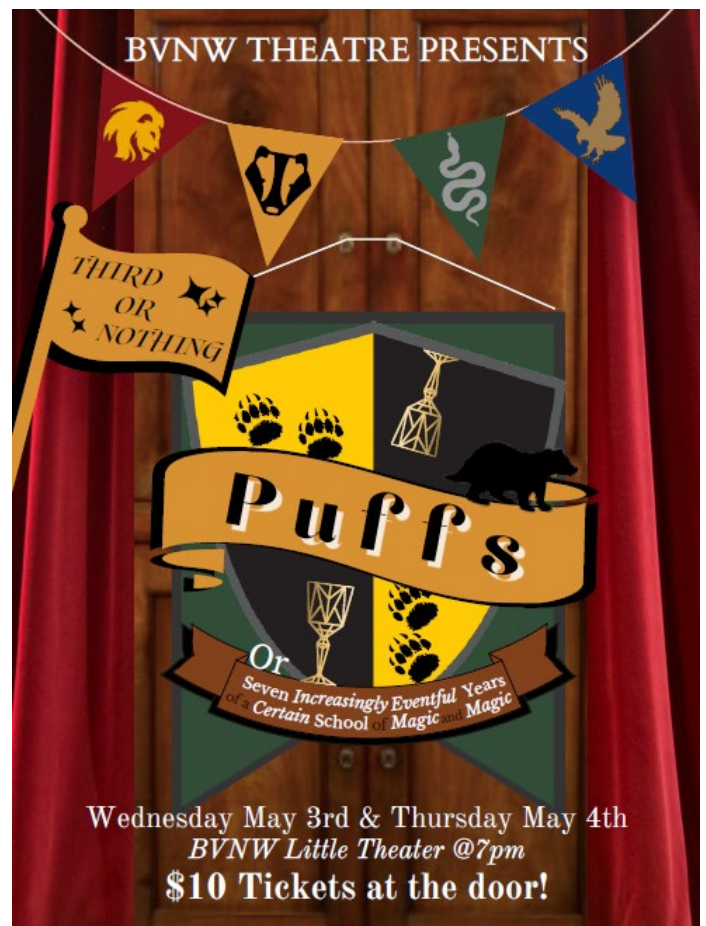

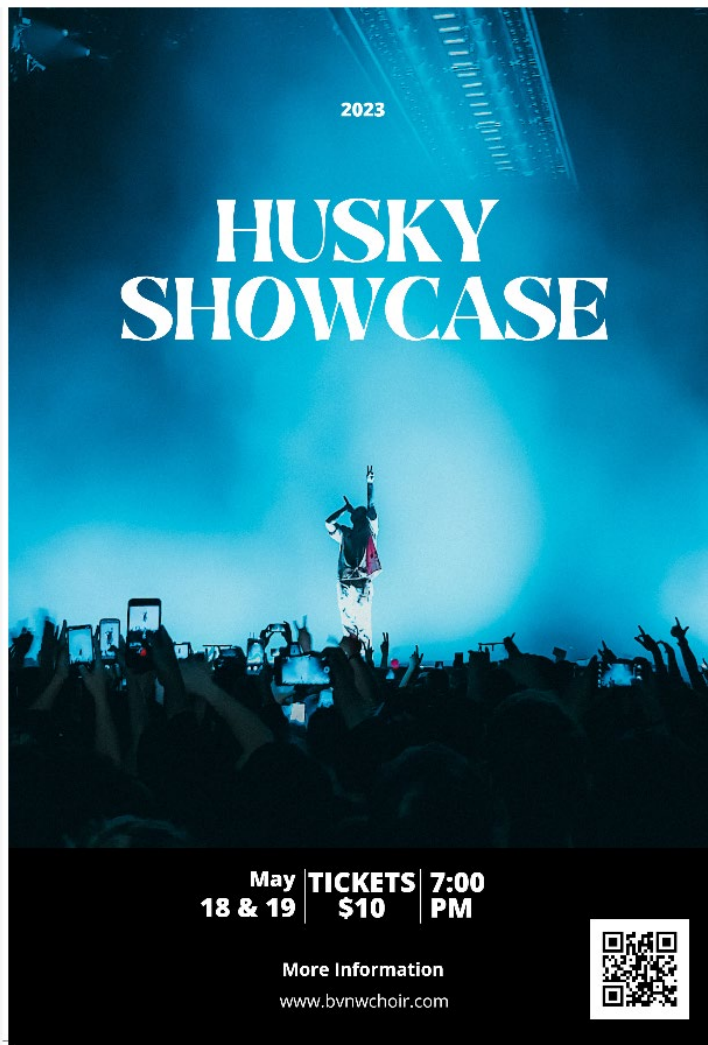

A culminating activity (final exam, unit exam, final paper, final project or reflection of learning) will be given in **all** classes. Students will be advised of the format to be used in each class by their teacher.

***No final exams will be given early.*** If a student must miss a final due to illness or a prearranged absence, they will be required to make it up when they return (this could be July or August, depending on dates and staff availability).

If you know you will be gone in advance, you must pick up a form called "Final Exam Exception Request Form" to communicate that you will miss final exams and to receive administrative approval to take your exams late/on alternate dates. The form must be turned in 2 weeks prior to the start of finals. Starting on Monday, March 27th, the form can be picked up from Mrs. Berry or Mrs. Fromm in the office.
