Parents and students – Allergy season has arrived. This is a reminder that the health room **DOES NOT** stock seasonal allergy medications. Students may self-carry over the counter allergy medication at high school or dose before coming to school. Thanks! –*Becky Imlay, BVNW Nurse*

Night of Lights is right around the corner and this community festival takes A LOT of volunteers to make it run smoothly! Middle and high school students are AMAZING volunteers for this event AND we have a few roles for adults-only! Please help us out if you can! <https://www.signupgenius.com/go/4090A49AEA62AA7F85-night1>

Last Wednesday, April 6th, seven delegates attended the Metro Kansas City Model United Nations Conference. I am so proud of these students. They were all actively involved in their committees and key delegates in building resolutions to address the biggest problems facing our world today. There are a lot of big issues. Please congratulate Alyssa Chowdhury, Hannah Johnson, Hunter Long, Rehan Sha, Brooke Troppito, Reagan Wald and Saraphina Wambi. They worked hard and represented BVNW better than I could have hoped.

Please congratulate **Reagan Wald**. She was recognized as a **Distinguished Delegate**. Please congratulate **Saraphina Wambi**. She was recognized for her **Outstanding Position Paper**.

The future is bright for BVNW MUN. We had 4 freshmen and a sophomore amongst our delegates. We are hoping to expand next year and attempt to travel to a bigger conference.

Delegates representing France: Reagan Wald General Assembly 3rd Committee
Hunter Long Security Council

Delegates representing Romania: Rehan Sha General Assembly 1st Committee
Hannah Johnson Human Rights Council

Delegates representing Greece: Alyssa Chowdhury General Assembly 1st Committee
Brooke Troppito General Assembly 3rd Committee
Saraphina Wambi - Human Rights Council

Use this link <https://blogs.jccc.edu/mkcmun/mkcmun-information/committee-background-guide/> if you would like to see the committee topics and committee issue guides. They are the same issues that the United Nations are currently addressing.

Please congratulate these students! They deserve the praise. –*Chad Askew*
