## Help to brighten the holidays for others!

National Honor Society is launching our annual Holiday Help Program. This Program provides gifts for children in the northwest community who need help during the holidays. This year we are providing gifts for 70 children. We are thankful for the advisory classes and teams that have decided to sponsor children this year. **Due to the increasing demand for this program, we still have over 15 children that need to be sponsored.** We hope our BVNW community can help us by sponsoring these children. If your family is willing to fulfill a child's wish & needs list (approx \$125), please email [cmlubbe@bluevalleyk12.net](mailto:cmlubbe@bluevalleyk12.net) so that she can give you the details. **We are also collecting \$25 Hy-Vee and Price Chopper gift cards for holiday meals for these families.** Please drop off these gift cards in room 209 or at the front office in a labeled envelope (NHS-Gift Card). Gifts and gift cards are due on Thursday, **December 8th.**

## CONGRATUATIONS to all students who earned an Academic Letter during the 2021-2022 school year!

*The letter is earned by demonstrating exemplary academic performance by achieving a 3.9 GPA, weighted or non-weighted, during both semesters of the 2021-2022 school year. Recognition is received during the following school year.*

**Please come to the Student Services office located by the Commons and see Mrs. Fromm or Ms. Maloney from 7:30 AM to 3:00 PM to pick up your award.**
