

Student Activities Committee Minutes October 22, 2020

The primary purpose for the October 2020 Student Activities Committee (SAC) meeting was to discuss our focus for the 2020-21 school year.

As the first SAC meeting of the 2020-21 academic year, the Board of Education representatives of the committee shared the history of the SAC and past initiatives that have come from this committee.

The role of KSHSAA was discussed. It was acknowledged that there is a difference between education-based athletics/activities and club-based athletics/activities. Past SAC members shared the role of KSHSAA for new members advising that KSHSAA ultimately helps to keep kids safe.

Small groups then brainstormed topics for the committee's consideration for 2020-21. Each group shared the results of their small-group discussion.

Administrators provided athletic and activity updates for the high schools and middle schools followed by an update from BV Recreation.

Information on the November meeting date will be shared once it is determined.
