

***A Separate Peace* by John Knowles**

English Language Arts, 9th Grade

WHAT'S THE STORY?

Against the backdrop of WWII raging far away in Europe, a group of privileged East Coast prep school boys begin their summer session. Isolated from the madness of war, the boys embark on a typical idyllic summer: swimming in the local river, taking advantage of a more laid back faculty and making plans for mischief. Among these boys are Gene and Finny; as classic character foils, they discover the profound meaning of friendship through many escapades and, eventually, one shocking incident. These characters, and others, form “a separate peace” as the war moves ever closer to their eighteen-year-old lives.
