BLUE VALLEY SCHOOLS BUSINESS AND FINANCE FACILITY SCHEDULING PATRON GUIDELINES

SCHEDULING FIELDS

To schedule use of Blue Valley School District Fields for community activities, the procedures listed below should be followed.

PROCEDURE

1. Complete and submit the Online Reservation Request. You may obtain this in the following way:
 - **Online Reservation Request:** Go to www.bluevalleyk12.org. Select the blue drop-down menu in the top right corner that says "I would like to..." From that list, select "Rent School Facilities." On the facility rental page, click "Reservation Request."
2. Requests are processed in the order received and may be submitted according to the following dates:
 - a. Phase I Fall (Aug. – Oct.) – accept requests beginning April 1
 - b. Phase II Winter (Nov. – Feb.) – accept requests beginning July 1
 - c. Phase III Spring (Mar. – May) – accept requests beginning Nov. 1
 - d. Phase IV Summer (June/July) – accept requests beginning Feb. 1
3. Please allow a minimum of 14 days for approval. Some events requiring special set-up or labor assignments may also take additional time.
4. A 14 day permit cancellation notice is required. If that is not provided, the organization may be charged for the rental, including both facility fee and labor. (Individual cases will be reviewed before a charge is assessed on a cancellation.)
5. A 14 day permit change notice is required. A processing fee will be assessed for any approved changes requested less than 14 days prior to the permitted date. This fee will not apply if the cancellation or change is due to inclement weather or the district finds it necessary to cancel or change a permit.
6. Upon approval a reservation confirmation will be emailed.

REQUESTING ELEMENTARY AND MIDDLE SCHOOL FIELDS

Field time will be scheduled in the following phases.

- **Phase I** – August through October
- **Phase II** – November through February (Weather dependent)
- **Phase III** – March through May
- **Phase IV** – June and July

The community demand for field space often significantly exceeds the supply of fields available within Blue Valley. Due to the limited number of Blue Valley fields, we would encourage you to explore other options in the event we are unable to fulfill your needs.

Phase I: Requests for field use during Phase I may not be scheduled until late June or early July to allow time for the schools to complete the current school year and enter activities for the following school year.

Phase II: Requests for field use during Phase II may not be scheduled until late August or early September. During Phase II there is extremely limited field availability.

Phase III: The review of field requests will begin once field conditions can be assessed after the winter dormant season, typically late January or early February.

Phase IV: Requests for field use during Phase IV will be processed in late March once the last day of school is announced. Due to summer maintenance and construction, not all locations may be available.

REQUESTING HIGH SCHOOL FIELDS and DISTRICT ATHLETIC COMPLEXES

Synthetic Turf Football Fields

Blue Valley School District offers use of the synthetic turf fields located at each high school. The synthetic turf football fields at Blue Valley North, Blue Valley West and Blue Valley Southwest are considered synthetic turf field locations. The synthetic turf fields at Blue Valley High and Blue Valley Northwest are considered District Activity Complexes.

Phase I: The fields are generally available for limited weekend use. The high schools will likely have the fields heavily scheduled for weekend practices and/or make-up games.

Phase II: The field's availability is extremely limited due to adverse weather conditions.

Phase III: The fields are generally available for weekend use and after 6:30 p.m. on weekdays. The high schools will have priority use of the fields for rain-date rescheduled activities and additional practices.

Phase IV: The fields are available with the exception of high school/district activities and/or any maintenance or construction projects.

Natural Turf Football Fields and Soccer Fields

Blue Valley School District does not offer regular use of the natural turf football or soccer fields at any of the high schools. These fields are maintained and utilized for the high school activities. It is the intent of the District to maintain these fields for optimum practicing conditions and permits them on a limited basis during non-playing seasons.

Baseball and Softball Fields

The District provides limited use of these fields on weekends and after 6 p.m. weekdays.
