

Happy Friday to you all!

A very short week, but again, so fun to see everyone back :) It sounds like you all had busy and eventful breaks!! Since our week was so short, I will keep this week's letter short as well. I just have a few items for you!

100th Day of School Thanks to the hard work Mrs. Green's class does each morning during our calendar time, the kindergarteners at Oak Hill have been keeping count of the number of days in school since the first day of school! Only 15 more school days until our special 100th Day of School "celebration", which will be on Tuesday, January 30th. We will be doing some fun activities with the other kindergarten classes on this day- I just wanted to give you a heads up...we will be asking all Kinders to dress up as their best 100 year-olds! All canes, gray hair, glasses, and cardigans welcomed! :)

Guest Readers Here is the link to our next round of sign-ups!

You should be able to type your name in to the time and date that works for you. If none of these times works with your schedule, please let me know and we will work something out!

Hawk University Be on the lookout for forms coming home today!! As you may already know, some of the Hawk University classes are a bit competitive and fill up quickly. If you are interested in signing your child up this semester, please be sure to complete and return this to school as soon as you possibly can. All forms are due by next Friday, January 15th; however, again, if your kiddo has their heart set on attending a particular session, I would recommend returning your form much sooner.

Parent-Teacher Conferences February conferences are just around the corner! This year has truly flown by- it feels like not that long ago that I was meeting with you all in the fall! Please note- this set of conferences is completely optional. Unless I contact you directly, you are not required to sign up for a conference. However, either way, I would of course love to meet with you!

Sign-ups will be conducted digitally in the same manner you signed up in the fall. Next Wednesday, January 10th, you will be receiving a link from Ms. Allam where you will be able to save your 20-minute time block. If you have any issues signing up, please let me know and I will do my best to assist you!

Thank You! A special thank you to both Mrs. Riddle and Mrs. Orellano for continuing to be our ongoing center helpers. With 19 unique personalities and needs, these extra helping hands truly make a world of difference and make for the two most effective instructional days for me in providing guided reading instruction!!! Thank you so much for sacrificing your time!
