

Happy Friday, Kinder Families!

Here are some announcements and reminders for the upcoming weeks!

### End of School Show

I apologize- I think I may have said in a previous letter that this was scheduled for the last day of school. However, I was mistaken! This will take place on Thursday, May 24th at 10:30am. We can't wait to see you all there for an "Under the Sea Adventure"!

### Field Day

This upcoming Friday, May 11th, is Field Day. Kindergartners will be participating in the afternoon from 1-3pm across the street at Oxford Middle School. Each grade wears a special color on this day; kindergarten will be wearing WHITE. Please help your child remember to dress in white on this day!! More details can be found in the school's newsletter. Also, our P.E. teacher, Ms. Andrews is still looking for volunteers to help for the afternoon session. If you would be interested in helping out, she would be very appreciative!

### Field Trip

A friendly reminder that our SeaLife field trip is on Thursday, May 17th. Please be on the lookout for a white permission slip coming home with your child on Monday. Feel free to sign and send this in as soon as possible. We are also looking for parent volunteers who would be able to meet us there! Let me know if you are interested!

### Kansas Get Moving

Kansas Get Moving logs, which went home last week, are due back by May 18th. If your child completes this before then, feel free to send these in. I have already gotten a few back! When your child returns this, they will get a special prize from Ms. Andrews. There is also a special prize for the class who brings in the most!

### Talent Share

Mrs. Hyer, the music teacher, sent out an email this afternoon. Since there are still spots open, she will be accepting forms on Monday as well, in case you were not able to get this in by today. If you need me to send you a digital copy, please let me know, and I would be happy to do so. You are all welcome to come to the actual Talent Share during their specials time on May 18th at 1:25pm.

"Baby brain" and the craziness of the end of the school year has had an interesting effect on my brain these days, my memory in particular...please never hesitate to send me reminders or ask questions if I miss something! Thank you all for your patience with me! I hope you all have a great weekend and are able to enjoy the gorgeous weather!

Warmly,
