## School Supplies: Tissue

If your student has not yet brought in boxes of tissues from their school supplies list, we are currently collecting them in the front office. Please instruct your student to drop off their boxes with the office staff. Thank you!

## Student Food & Drink Policy

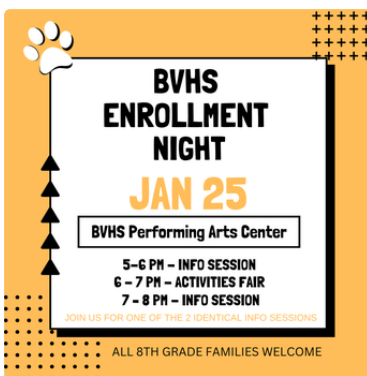

As a reminder, no outside vendor food or drink is permitted inside the school building, including but not limited to: fast food and food delivery services (such as DoorDash).

Student water bottles MUST be labeled with first and last name in either black or silver permanent marker. The front office has Sharpies if students need to borrow one. Water bottles must be resealable and not made of breakable material, such as glass. Students are not permitted to have beverages other than water outside of the lunch room.

## Morning Drop-Off Reminders

Here are a few safety reminders for morning drop off:

- To more efficiently keep the car line moving, please use front circle drive and not the parking lot for drop off. Students can be dropped off as early as 7:15am. There is typically no line at this time
- Please do not block the handicap spots by stopping in the lot to unload. Do not pull into the handicap parking spaces unless you are legally authorized to do so.
- Pull all the way forward to the sign “end of drop off/pick up zone.” Exit the car on the curbside only. Students should exit when your car stops.
- There is only one crosswalk, which is near the office. A parent/guardian must walk students to the crosswalk to wait for a supervisor to signal when it is safe to cross. Students should not be dropped off in the parking lot without a parent/guardian escort to the crosswalk due to traffic and safety concerns
- Have your student ready to exit the car when you enter the lot to save time
