## 6th Grade Strings Welcomes KC Symphonist

6th grade Strings had a great time on Tuesday with our guest musician, Richard Ryan, Bassist in the KC Symphony and Conductor of the Lenexa Community Orchestra.

He played some songs for us, talked about his musical experiences growing up, and answered some very thoughtful student questions. It was a great time!

## Great Job 7th & 8th Grade Choir!

BVMS and Mr. Smith would like to recognize all BVMS 7th and 8th grade choir students for their awesome performance at the South Area Choir Festival concert. This concert was on this past Monday, Feb. 6th, in the BVHS gymnasium. A big 'Bravo' to our Cardinal performers!

## A Note From District: Morning Traffic

Here are a few safety reminders for morning drop off:

- To more efficiently keep the car line moving, please use front circle drive and not the parking lot for drop off. Students can be dropped off as early as 7:15am. There is typically no line at this time
- Please do not block the handicap spots by stopping in the lot to unload. Do not pull into the handicap parking spaces unless you are legally authorized to do so.
- Pull all the way forward to the sign "end of drop off/pick up zone." Exit the car on the curbside only. Students should exit when your car stops.
- There is only one crosswalk, which is near the office. A parent/guardian must walk students to the crosswalk to wait for a supervisor to signal when it is safe to cross. Students should not be dropped off in the parking lot without a parent/guardian escort to the crosswalk due to traffic and safety concerns
- Have your student ready to exit the car when you enter the lot to save time
