

Week of: 3/28/2016-4/1/2016

This Week I Can...

Reading:

- Summarize
- Categorize and classify
- Use Antonyms
- Spell words with the long a sound (ai, ay pattern)

Math:

- Use nonstandard units of measure and compare lengths and heights of objects.
- Estimate and measure the lengths of objects in different units.

Writing:

- Write a personal narrative that has a beginning, middle, and end.
- Analyze the features of an information report.

Science:

- Observe light and how it helps us see objects when illuminated.
- Investigate what light can travel through and where the beam of light will travel when it can't go through an object.
