AROUND THE CAMPFIRE

Reading: We will continue working on our Inquiry project about how things have changed from the past and present. We will create timelines and venn diagrams to display. We will continue with small group rotations too.

Math: We will continue topic 2. We will focus on different strategies for addition and subtraction.

Writing/Spelling: We will have a spelling test on Friday 9/18. Look for your child's new list on Monday in their planner. We will continue a writing project called Adventures with Strange Items

Science: We will start talking about how animals live in groups and why that helps them survive.
