AROUND THE CAMPFIRE

Reading: We will finish up the novel *Third Grade Angels* next week and continue working on our rotations. In rotations we will be working on spelling, reading comprehension, and fluency.

Math: We will begin topic 2. We will focus on different strategies for addition and subtraction.

Writing/Spelling: Due to the short week there will be **NO** spelling words. We will be doing a writing project called *Adventures with Strange Items*

Social Studies: We will continue studying *Communities*.
