

Dear 4th Grade Parents:

Your student's recorder and vocal concert is, **Tuesday, April 30th, at 6:30 p.m.** in the Cedar Hills Elementary dining room. The students have been looking forward to showing off their skills for their friends and family. Come join us, as we take you on the journey from where we started to where we have become. We will be performing the same repertoire as we are for the concert at the Kauffman Center for the Performing Arts. You won't want to miss it!

Dress for the concert will be **jeans and a colorful top** (see below for your class color): a button down shirt, polo, blouse, etc. No sweatshirts, jerseys, logo t-shirts, etc.

Mr. Monsee's class: green

Mrs. Clark's class: red

Mrs. Auvigne's class: blue

Ms. Claiborne's class: white

The evening of the concert, students need to meet in the A Pod **ready to go at 6:18 p.m.** If families arrive earlier than this, students need to be with an adult at all times. There will also be a performance for the school at 2:45 p.m. Students need to wear their assigned color for this performance as well.

The fourth grade students have been working toward this culminating performance for the entire school year! We spent the first semester diligently studying the pitches of the treble clef staff, and the second semester we have applied those skills on the recorder. In turn, we are looking very much to showcasing our talent for you. If your family has a conflict for the performance, please contact me as soon as possible. We cannot wait to perform for everyone, and we will see you there!

****Please note: Music is a performing arts subject. If a child is absent for the performance, this opportunity cannot be recreated for them in order to meet the music curriculum standards. In lieu of the performance, your child will be required to write a reflection on the performance when we watch the video as a class. The student will need to describe the process he/she would go through for the performance. If your child is unable to attend either performance, please send notification immediately. We will need to make modifications if anyone is absent.**

Thank you for supporting the arts!
