

Student Activities Committee

Student Activities Committee Minutes

October 20, 2022

The Student Activities Committee met to discuss an update on the 2023 Bond and the Blue Valley Schools Activity Core Beliefs.

Kyle Hayden provided an update and presentation on the 2023 bond. A question and answer session, and individual comments followed the presentation.

The Blue Valley Schools Activity Core Beliefs were provided to each individual to read. The group then broke small groups to discuss. Each group then shared the results of their small-group discussion. Changes will be made to the Blue Valley Schools Activity Core Beliefs for the November meeting.

High school, middle school and Blue Valley Recreation provided activity and athletic updates.
