[School Code: ELE021](#)

Kits will be available for pickup at  
Meet the Teacher Night in August.

## IMPORTANT UPDATE ABOUT HEADPHONES

We used to include a lightweight, inexpensive pair of headphones in the school supply kits. But, they broke easily. This year, **we are selling headphones separately in the School Supply Shop**. Our WSE teachers selected this pair as a much more durable headphones, which we hope will last you multiple years.

Please be sure to order the school supply kit for your student's 2022-23 grade level and add a pair of headphones in addition to your supply kit. If you'd like to purchase your student's headphones elsewhere, please ensure they're stereo (two year) headphones with 3.5mm plug, volume control and microphone.

Our School Supply Shop, [www.educationalproducts.com/shoppacks](http://www.educationalproducts.com/shoppacks), school code ELE021, is available until June 14, 2022.
