

ParentVue: Grade Book View

Grade Book link shows the current grade and adjusts each time a teacher adds a new assignment.

Grade Book View

1. [Log into ParentVue](#). Select your child's name if you have more than one child.
2. In the left navigation bar, choose Grade Book.

3. The average on the far right column is a reflection of the grade at this point in time. As assignments are added, the grade adjusts accordingly.

October Report Card | December Report Card | March Report Card | May Report Card
