Fundraiser Supporting the Solace House

Calling on our sister schools for your support!

Pleasant Ridge Middle School is set to perform Newsies for their annual musical benefit. All proceeds from the event will go to the Solace House, a non profit organization that supports families that have suffered sudden loss of life at little to no cost to them. *The Solace House was unanimously selected this year to showcase because they helped one of our own theatre families with the loss of a parent.*

The night before the benefit on February 26th, we partnered with Freddy's on 159th St. from 4:00 - 8:00 p.m to host a fundraiser for the Solace House. When you grab an after-school snack or dinner for the family be sure to share our flyer and 15% of your total purchase will go back to this organization.

Currently we have a donor that has offered to match what we raise up to \$2000.00 so we need everyone to come out to Freddy's to show your support for the Solace House!

INTO THE WOODS is a modern classic show featuring everyone's favorite storybook characters in a timeless, yet relevant, piece.

The story follows a Baker and his wife, who wish to have a child; Cinderella, who wishes to attend the King's Festival; Little Red Riding Hood who just wants sweet; and Jack, who wishes his cow would give milk. When the Baker and his wife learn that they cannot have a child because of a Witch's curse, the two set off on a journey to break the curse. Everyone's wish is granted, but the consequences of their actions return to haunt them later with disastrous results. Great music mixed dark humor makes this Tony Award-winning show by Broadway greats Stephen Sondheim and James Lapine a must-see.

2nd Semester Course Fees

The course fees for the second semester have been posted. Fees are assigned based on your student's enrollment, and not all courses will have associated fees. Planning for Inclement Weather Days

As the winter months continue, there is always the possibility of inclement weather. When extreme weather conditions exist, the district may cancel school or utilize a two-hour delayed start when temporary adverse weather conditions exist. When possible, inclement weather announcements will be made the day before so staff and families can plan. More information about inclement weather (including 2-hour delayed starts) can be found on the district [website](#).
