Calendar Adjustment: Students In School on April 1

We wanted to remind you to mark your calendars as school will be in session on April 1st instead of the previously scheduled professional development day in order to meet the state attendance requirements. This adjustment was made in response to the Chiefs Super Bowl Parade Day. We understand that this change may impact your plans, and we apologize for any inconvenience it may cause. If your child will not be present on this day, please use our typical absence reporting protocols to report the absence.

Streaming on District Devices

In an effort to reduce distractions in the learning environment for all of our students, beginning on March 19, 2024, all high school students will have streaming services blocked on district devices (examples include: Netflix, Hulu, HBO Max, Prime Video etc.). YouTube, Spotify and Apple Music will still be allowed.
