All Stanley Families

One Love. One Heart.

We are so excited to celebrate One Love. One Heart. next week here at Stanley Elementary. We will be celebrating, kindness, love, inclusion, and much, much more! Typically, during Valentine's Day week, students would be designing their Valentine's boxes and writing their Valentines at home. Due to COVID mitigation strategies this year, please do not bring in any Valentines or Valentine's Day boxes from home. Students will be celebrating and completing activities each day of the week in the classroom. Be on the lookout next week for a daily email to learn more about what our children are learning so you can extend the conversation at home.

Adopt a Senior!

Senior coordinators for this years BVH senior class are trying to get the community involved in helping to make the last 4 months of their seniors' high school career exciting. They are

looking for people who might be interested in “adopting” a senior. Whoever chooses to participate will be matched up randomly with a senior. Please check out the flyer below!

Your child’s online safety, in the palm of your hand.

We recognize that student safety and well-being in the online world is a shared responsibility between our schools and families, especially during this time of In-person and VirtualED modes of learning. As part of the Blue Valley’s commitment to digital safety, families can [download @SecurlyHome Parent Portal app](#) for opportunities to monitor your child’s online activity, set custom filters, pause the internet and more on their child’s district-provided device. Download today on iTunes or Google Play!

- Parents that have “Education Rights” and “Lives With” in Synergy/ParentVue will have access to an account. The login for the Securly App will be the parent email address listed in ParentVue. Put in a BV Care Technology ticket if you have trouble getting started.
- If you already have a Securly Home account established for a child at the middle or high school level, you will not receive an automated email. Your elementary child will automatically appear in your preexisting Securly Home account

Mr. Baldwin's Student Teacher

Hello Stanley Elementary! My name is Riley Mary, and I am a senior at Northwest Missouri State University and I will be working alongside Mr. Baldwin for the majority of this semester. Some quick info about me - I am from a very small town outside of Springfield Missouri called Walnut Grove, I have a pet dog named Knuckles, and I am a Senior Airmen in the Air National Guard. My hobbies include Kayaking, Skiing, Rafting, Water Skiing, and Traveling.

Chinese Immersion Program Information for incoming Kindergarten Families

Later this month you will be receiving information with details about kindergarten registration. Today, I am pleased to share information about the district's Chinese Immersion program for incoming kindergarten students. Are you interested in providing your child with an immersive educational experience that broadens language, enhances cognitive skills, and teaches second

language skills? Would you like to learn more about Blue Valley's Chinese Immersion Program? Watch this [video](#) that provides a glimpse into an immersion classroom.

Ready to learn more? Mark your calendar and make plans to attend a virtual information session about the district's Chinese Immersion program that is open to all incoming kindergarten students.

- **Virtual Information Session for ALL incoming kindergarten families**

Monday, Feb. 22, 2021 @ 6 p.m.

Meeting will be conducted via Zoom. Due to the virtual format, there will not be an opportunity for live Q&A. Families will be able to submit questions online. Please [register online](#) to receive the Zoom link and meeting information.

- **Virtual Information Session for VPE families ONLY**

Tuesday, Feb. 23, 2021 @ 6 p.m.

Meeting will be conducted via Zoom. Due to the virtual format, there will not be an opportunity for live Q&A. Families will be able to submit questions online. Please [register online](#) to receive the Zoom link and meeting information.

Students residing in the Valley Park Elementary (VPE) attendance area will attend the immersion program at VPE. All other students' applications will be entered into the lottery for the Wolf Springs Elementary (WSE) program. Selection is based on a random lottery, with no preference for early submissions. Siblings of current immersion students will have preference. This preference will continue to be extended to siblings of current VPE Chinese Immersion students regardless of home school.

Immersion is an approach to second language instruction in which teaching and learning of core content occurs in a language other than English. Blue Valley's program is a dual language immersion model in which students are co-taught by two full-time classroom teachers, spending about half of the day in Chinese and about half in English. The program is a multi-year commitment and participation will be determined by a lottery system. For more information on the immersion program, visit www.bluevalleyk12.org/immersion.

TreeRing

Stanley will again be using TreeRing this school year to publish and print our yearbook! You will purchase your Stanley yearbook DIRECTLY from the TreeRing site, not through the PTO website or Parentvue. Parents will be able to upload all school-related pictures with an app on their iPhones directly to specific folders.

Those photos will then be used to design and create the yearbook! There is also the option for you to create your own 2-page spread to be printed at the end of the book, personalized with your very own pictures, just for your student, included in the price! This all can be done from your desktop computers, as well!!

**It is currently not compatible with Android, so for us Android users, we can upload pictures on our desktops from Facebook, Google photos, Dropbox, etc. directly to the Stanley TreeRing folders! Lots of photos at once!!

There are folders for First Days of School, Family Fun Run, etc. No need to caption each picture!

YEARBOOKS ARE NOT ORDERED THROUGH THE PTO WEBSITE! They must be ordered directly from families on the TreeRing website www.treering.com

There are instructions on how to upload your photos and learn how to customize some of the pages in your child's yearbook!

To order go to www.TreeRing.com/validate and enter Stanley's passcode: **10152415384287**

Please contact Sheri Buxton with any questions! buxton.sheri@gmail.com

Counselor's Corner

We've had a conversation inspiring week this week as third, fourth and fifth grade classes learned what rumors and gossip are and how it can have a ripple effect and spread so easily. We read "What James Said" by Liz Rosenberg in third grade and "Mr. Peabody's Apples" by Madonna in fourth and fifth grade. Students had a learning craft and pair & share activity to go along with the books respectively. Students in all three grades all testified to experiencing the effects of rumors and even admitted to participating in them a time or two. I appreciate their honesty and self-reflection! Another fun week with our students is in the books! Have a wonderful, relaxing weekend!

Notes from the Nurse

Testing Sites

If you have family or friends in the area looking to get a FREE COVID-19 test, here are some helpful websites. Only name, phone number or email are required to get a test. No insurance

or official ID needed. These are PCR tests with an average turnaround time for results of 36-48 hours.

1. <https://www.gogettested.com/kansas> : These are free sites and test all ages. Including sites such as Shawnee Mission North High School, Johnson County Community College and Church of the Resurrection. The go get tested sites are expanding everyday as more sites are secured by KDHE.
2. <https://www.hearttoheart.org/jococovid/>: Has six more testing events before the end of the year.
3. <https://www.jocogov.org/schedule-covid-19-test> (JCDHE continues to offer testing for ages 5+)

Water Bottles At School:

Please remind your student to bring a water bottle to school, as our drinking fountains are shut down at this time due to COVID precautions. Our students are very active and even with decreasing temperatures outside our bodies require hydration throughout the day.

Masks:

We are running low on child size masks. Please send your student each day with a mask and remind them to be wearing their masks properly. The mask should cover from nose to chin and gaiters should be snug enough not to need constant adjustment throughout the day. Having a backup mask in their backpack so if it becomes wet or soiled would also be very helpful.

Change of Clothes (Kindergarten/Early Childhood):

Please make sure to trade out your child's summer clothes for a full set of appropriate cold weather clothing. If a spill, mess, or bathroom accident occurs during the school day your child can then quickly change into their own clothes and return to class.

Health Files:

Immunizations and Physical Assessments are past due. If you have received a letter asking for documents, please submit the missing paperwork so attendance is not jeopardized.

Travel:

If you are planning on traveling please refer to the Kansas Department of Health and Environment for quarantine requirements.
