

Student Activities Committee Minutes

November 17, 2022

The Student Activities Committee (SAC) met in November for a presentation on Generation eSports, and to discuss finances and how activities get funded. An update on Sportsmanship was also shared.

Generation eSports, BVSW staff and student presented information regarding eSports at the middle and high school levels. This sport allows those who might not choose a traditional sport, to participate, which enables them the benefit of the social connection sports provide.

Matt Ortman spoke about how school activities get funded, as well as the different funding sources and their guidelines.

Several great ideas to promote positive sportsmanship were provided and discussed based on the most recent EKL Summit.

Administrators provided athletic and activity updates for the high schools and middle schools followed by an update from Blue Valley Recreation.
