

## HIGH SCHOOL | BLUE VALLEY DISTRICT NOVEL RATIONALE

# **Catch-22 by Joseph Heller**

### **English Language Arts, 12th Grade**

#### WHAT'S THE STORY?

Joseph Heller's satirical novel follows the character Ocarina as he bumbles his way through World War II attempting to determine either his sanity or his insanity. While his companions stationed on the small island of Pianosa try to convince him that he is the only one who does not see the value of war, Yossarian somehow suspects that he perceives the war concept differently than his associates. Through satire and a series of mishaps in a wartime setting, Heller is able to address such issues as greed and the attainment of great wealth at the expense of others, the establishment of authority through titles only, and the loss of identity which people experience during periods of crisis.
